## Publish your log on the web

www.ccae.info

# **CCAE web**

## 1 What is it ?

With this module you can publish your log on the web.

- In your own web site
- In QRZcom page
- In a CCAE web site dedicated for you

We are using hosting in 2 different localizations to store the web logs. The logs are published simultaneous on 2 servers: One in France and one in Spain open and maintained 24/24 – 7/7.

### 2How to do ?

- 1) Choose one or several of your calls (CCAE can manage multiple calls)
- 2) Click to publish on the web.

That's all ! Your log is on web ( <u>http://www.ccae.tm6cca.com/LogCCAE.html</u> )

#### 5) Select SOURCE...

#### 5-1 Add just a picture with a link to your log:

Choose where you want to insert your log and type this line with changing the **XXXXX** by your call (F6HOY for example)

<a href="http://imagingblue.com/CCAE/LOG/LOG**XXXXX**.html" target="\_blank" title="My Log on line managed by CCAE Software (www.ccae.info)"><img alt=""

src="http://imagingblue.com/CCAE/LOG/CCAE\_WEB.jpg" /></a>

Save

The result: A picture with a link to your log

#### 5-2 Insert your log in your QRZ home page:

Since some months it is not possible to insert another part of a web site in QRZ.com. It is now forbidden to insert an Iframe.

Unfortunately QRZ.com agree to open this function for some rare websites. Log generate by CCAE-Software is allowed!

Choose where you want to insert your log and type this line with changing the **XXXXX** by your call (F6HOY for example)

<IFRAME SRC="http://imagingblue.com/CCAE/LOG/LOG**XXXX**.html" width=100% height=950 scrolling="no" frameborder="0" > </IFRAME>

#### The result: Your log is on line in QRZ.com

## 6 How to use CCAE\_WEB module

It can be launch directly or thru CCAE log software by clicking on Log on WEB (after v 1.2.10):

#### CCAE\_WEB

- Import an ADIF file
- Publish your log on the web
- Some infos on the software
- Change language

#### Import ADI File from an other log software

You can use CCAE\_WEB alone without CCAE\_SOFTWARE except his database.

If the own call is not in CCAE parameters the module create it.

The QSO are just appending.

| Import ADIF LOG                                     |            |
|---|------------|
| Import from external ADIF file                      |            |
| No problem if QSO exist - This module append QSO in | 1 the log. |
|   |            |
|   |            |
|   |            |
|   |            |
| import ADIF file Exit                               |            |

#### Publish your log

| CCAE Publish your log on the WEB - V.1.0.2  |   |                                    |  |
|---|---|------------------------------------|--|
| COLLINS C.C.A.E   |   |                                    |  |
| STEP 1  | Select one or several of your   | r calls to be published on the web |  |
|   | All your calls  | Calls to be published              |  |

## 7 How to get CCAE\_WEB ?

As this, this module is in Evaluation mode with only the 5 last QSO published. You can download it on <u>www.ccae.info</u>

You must have the CCAE Software Database. You can download it on www.ccae.info

We invite you to download and use the **CCAE Log Software**. It is **free** but you can donate something. You can download CCAE Log Software on <u>www.ccae.info</u>

We are using Hosting in 2 different localizations to store the web log published. The logs are published simultaneous on 2 servers: One in France and one in Spain open and maintained 24/24 – 7/7.

Price for a full version of CCAE\_WEB module 18€

Use our Secure Paypal order on www.ccae.info

You can also contact us by email to get the full version of **CCAE\_WEB**. <u>support@ccae.info</u>

## Go ahead !

CCAE software is not just another Log software.

Created by F6FMT and F6HOY, this software is dedicaced to ham radio that like COLLINS RADIO. It is free of use. You can log your trafic and manage several home call, print QSL, send email, view stats... CCAE.EXE is open with internet and provides automatic links with QRZ.COM, DX-Cluster and Google Earth. CCAE.EXE provides also a powerful members manager for the European Collins Collector Association.

Enjoy Collins Radio, enjoy Radio, enjoy CCAE log, join us at www.ccae.tm6cca.com !
